

Dear Metalekspo,

Our team wishes to express our sincere appreciation for the successful collaboration we share with your company.

Our quality requirements have been fulfilled, the materials are properly handled, they follow the European technical and regulatory standards. The shipping deadlines have always been met and all the documentation has been provided in full.

We also value your customer service. We have good business relationship and we would like to highlight its human touch.

Sincerely,

Forelli Pietro's team.
